

The Lord of the Beginning and the End

Gen 1:1-26

**In the beginning, God
created the heavens and
the earth. v1**

First Day – Light v3-5

“Let there be light,” and there was light.

Second Day – Sky v6-8

“Let there be an expanse between the waters to separate water from water.”

Third Day – Land and Seas, and Vegetation v9-13

“Let the water under the sky be gathered to one place, and let dry ground appear.” “Let the land produce vegetation.”

Fourth Day – Sun, Moon, and Stars v14-19

“Let there be lights in the expanse of the sky to separate the day from the night.”

Fifth Day – Creatures of the Seas and Birds in the Sky v20-23

“Let the water teem with living creatures,
and let birds fly above the earth.”

Sixth Day – Creatures on the Land, and Man v24-26

“Let the land produce living creatures according to their kinds.” “Let us make man in our image.”

Creation or Evolution

Creation or Evolution

The impossibility of conceiving that this grand and wondrous universe, with our conscious selves, arose through chance, seems to me the chief argument for the existence of God; but whether this is an argument of real value, I have never been able to decide.

Charles Darwin (1809 – 1882)

God Created a Matured Earth

*In the **four hundred and eightieth year** after the Israelites came out of Egypt, in the fourth year of Solomon's reign over Israel, in the month of Ziv, the second month, he began to build the temple of the LORD. 1 Kg 6:1*

966 BC - Solomon built the temple.

He became King in 970 BC

$966 + 480 = 1446$ BC was the year Israelites
came out of Egypt

*Now the length of time the Israelite people lived in Egypt was **430 years**. Ex 12:40*

1446 BC - Israelites came out of Egypt

1446 + **430** = **1876** BC was the year the

Israelites settled in Egypt

And Jacob said to Pharaoh, “The years of my pilgrimage are **a hundred and thirty**.” Gen 47:9

1876 BC – Israelites settled in Egypt

1876 + **130** = **2006** BC was the year Jacob
was born.

*When Adam had lived 130 years, Seth was born ...
Gen 5:5*

*When Seth had lived 105 years, he became the
father of Enosh. Gen 5:6*

*When Enosh had lived 90 years, he became the father
of Kenan. Gen 5:9*

...

*Isaac was sixty years old when Rebekah gave birth to
them (Esau and Jacob). Gen 25:26*

Jacob was born **2108** years after Adam
was created.

Jacob was born 2108 years after Adam was created.

Jacob was born in 2006 BC

$2108 + 2006 = \mathbf{4114}$ BC was the year Adam
was created

This year is 2020 AD

$2020 + 4114 = \mathbf{6134}$ is the number of years
between now and Adam.

Carbon-14 and Radiometric Dating

Are there examples of inaccurate results obtained from the potassium/argon dating method (the most cited method)?

God Created a Matured Earth

Before there was Day and Night

Now the earth was formless and empty, darkness was over the surface of the deep, and the Spirit of God was hovering over the waters. Gen 1:2

God is Creator – the Beginning and the End

“The heavens declare the glory of God; the skies proclaim the work of his hands. Day after day they pour forth speech; night after night they display knowledge.” Ps 19:1-2

Let us declare every day that:

1. Our God is the Mighty Creator God
(who holds the future in His hands)
We will trust and worship Him
2. We are His Masterpieces
(His sons and daughters)
We will love Him and serve Him
